

# Hello ! I am

**Arshkirat Singh Gill**

4th years Industrial design student

The process is the most important variable of design for me with each and every design task. I absorbed a wide range of characteristics associated with the product . In my daily routine as a growing designer, I am observent and focused.

Graphic design

**Ahmedabad Design week 2022**  
Installation Design Team

**Crea- product design fest 2022**  
Installation team Head

## Competition

**lexus Design Award 2022**  
Applied

**World Design Organisation**  
Participation

**WDC 2020-IIT hyderabad**  
Participation

**LG-OLED dezen Competition**  
Participation

## Achievement

**Research paper 2021**  
Published in NIT Raurkela conference

**Applying for patent's 2022**  
Application No: 384877-001

**Applying for Design Registration 2022**  
In process by UID

## Skills

### Analog

Conceptulization  
Rendering  
User Research  
Market Research  
Prototyping  
Photography  
Sketching

### Intangible

Keen Observation  
Communication  
Precise Execution  
Punctuality

### Digital

Fusion 360  
Photography  
Illustrator  
Indesign  
Sketchbook  
Procreate  
Rhino  
Adobe Xd

## Process
